

PRAYERS OF THE PEOPLE
Pentecost 14 - Year B
August 30, 2015
UCW Service

Loving God, your word of truth and liberty does not break into the world unless your people are doers of the word, and so we pray for all that "do".

We pray for all people of goodwill who speak and work for justice.

We pray for those who care for the environment and creatures of the Earth.

We pray for the church that as the Body of Christ we might be bound together as agents of reconciliation.

Be with us and hold us in your care as we seek to do your will.

Zion congregation needs your hands of caring to watch over and protect us. Encourage us to follow in your way and to be doers of your Word, not hearers only.

We think of those who are suffering with mental or physical needs, are bearing with a loss however great or small, plus our neighbours and friends as well as family members. In this moment we name them aloud or in the silence of our hearts.

In gathering all of our prayers together, we conclude by repeating the Great Prayer that Jesus taught his disciples as we say, "Our Father....." Amen.
